

MAKE EVERY DAY HEALTHIER

14 Human Clinical Studies confirm TAHITIAN NONI® Bioactive Beverages are more than just juices.

Noni is packed with bioactives that produce biological activity in the body.

The key bioactives in noni are iridoids.

Iridoids have been scientifically proven to:

- eliminate harmful free radicals
- maintain healthy HDL cholesterol at existing healthy levels
- increase energy
- support healthy brain activity
- support DNA
- promote heart health
- boost the immune system
- adapt to safely benefit biological systems.
